

COVID-19

EMPLOYEE SAFETY GUIDELINES

Help prevent the spread of disease by following these steps!

Wash your hands with soap and warm water **frequently for at least 20 seconds**. Wash hands immediately after handling devices and/or money and cards.

Wipe down devices thoroughly **on intake and before returning to customers**.

Wipe down all **surfaces, door handles, faucets, bathrooms, keyboards, screens**, and anything else that is touched frequently.

Contactless device drop. Dedicate a table or section of a table for device dropoff. **Wipe that table down in between customers**.

If customer believes they are sick – ask them to please stay in the car and **request that we pickup from your vehicle**.

**** IF YOU ARE SICK, PLEASE GO HOME!****
